6. Tax Compliance

6.1 Only bidders who are tax compliant will be considered for appointment.

6.2 A tax compliance of a bidder will be verified during evaluation process using SARS e-filing and CSD portals.

6.3 Bidders will be informed of their tax compliance status between evaluation process and before the submission of the BAC report to the accounting officer. BEC shall make use of the contact details in the bid submission to communicate issues of compliance with a bidder and determine a date for reply or update on tax matters which will differ on bid-to-bid basis.

6.4 A failure to correct the tax non-compliance within the period determined by the BEC shall result in the elimination of a bidder.

7. Requests for clarity and additional information

7.1 During the bid evaluation process and after the closing date of a bid, the BEC shall, where necessary, formally request additional information/documents and clarity from the bidder(s).

7.2 Such information shall be presented directly to the BEC in a manner recommended by the BEC and on or before the expiry of time as determined by the BEC.

7.3 In a case a bidder fails to reply to the request or invitation to clarify and add information, the existing bid documents will be relied upon, and decision will be taken on the strength of the existing information by the BEC.

8. Prohibited Bidders

8.1 Bidders and directors that are prohibited or restricted by the National Treasury to do business with the organ of state will not be considered.

8.2 Bidders will be automatically eliminated without notice or any form of engagement.

8.3 Bidders whose shareholders are public representatives are prohibited to do business with the Legislature and such bids from such entities will not be considered.
